Division of Oil, Gas, and Mining, (Division), and Chief Consolidated Mining
Company (Chief) have previously entered into a STIPULATION to continue and
ultimately dismiss the above matter. The parties have satisfied such terms of the
Stipulation as were required for the matter to be continued without date, and pursuant to
Order of the Board the matter is being held in abeyance subject to the completion of
additional actions required of the parties under the STIPULATION. The additional
actions include revising the mining and reclamation plan, amending the surety amount,

and resolving the outstanding penalties. In order to provide for additional time to continue their efforts to complete the terms of the Stipulation;

The parties HEREBY AMEND the prior STIPULATION as follows:

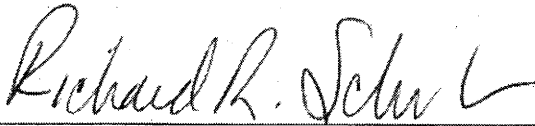

1. For the Apex/Burgin and Trixie Mines, Chief shall: Provide revised maps of all of the disturbed/permited areas in a scale of 1" = 100' or larger to show existing disturbances and facilities. Provide a map to show any "proposed" facilities, dumps or waste piles. Provide a reclamation map that shows the final grade and contours of the mine. List all facilities that have been constructed on site. List any planned facilities. Describe how the mine will be operated if it will be at all different from what is currently in the approved mine plan. Describe how the mine will be reclaimed if it will be different from the approved plan. Provide specific plans for handling and disposal of water encountered in the mine. Provide specific plans for spoil or tailings disposal. Optional - Calculate a bond amount based on if a third party is performing the work. Provide all items by ~~December 31, 2006.~~ *March 31, 2007 RRS.*
2. The Division shall promptly complete its evaluation of that information and determine the amount of surety for each permit including adjustments for increased costs, released acreage, and other changes that may be agreed upon as required prior to commencement of mining.
3. Chief shall provide the revised surety amount no later than 30 days after notice of the Division's determination of the amount.
4. Upon posting of the required surety as determined pursuant to paragraph 5, the Division shall review the assessment of the failure to abate cessation orders and shall determine the

final amount of the penalty to be paid as is consistent with the rules and purposes of the Utah Mined Land Reclamation Act. Unless appealed, the amount of the penalty shall be paid within 30 days.

5. The Request for Agency Action shall continue to be held in abeyance pending completion of the foregoing items, provided that if the matter is not otherwise resolved by May 31 2007 the matter shall be re-scheduled for a hearing before the Board.
6. Except as expressly provided for herein the prior Stipulation and Order of the Board shall continue without modification.

This MODIFICATION of the STIPULATION shall be effective on the date last executed below:
